! WARNING: Disabling "Restricted Mode" in Youtube will remove parental protection. You can follow the same instructions below to enable "Restricted Mode" again after watching the mass.

How to disable Youtube "Restricted Mode"

Step 1: Click on the profile picture on the top-right of the page. It may look like the outline of a generic person, or just a letter or picture if you have a YouTube account.

Step 2: Go down to the bottom of the options that appear. The bottom one should say "Restricted Mode: On". Click on that.

Step 3: The text that appears should include "Activate Restricted Mode" with a blue button on a slider. Click on the blue button to disable "Restricted Mode". You can follow the same steps to activate it later if desired.
