People are asking, “Can I still donate to the *Save St. Teresa’s Church Campaign?*”

Yes, of course. St. Teresa’s Mundy Pond Corporation will have ongoing expenses for the upkeep of the church. If you would like to donate, we would gladly accept. Please send your donations: by Cheque to *St. Teresa's Mundy Pond Corporation*, or by email transfer to stteresascampaign@gmail.com.

Thank you, again.

As we continue to use St. Teresa’s Parish property as our parish church, this requires that we meet our ongoing financial obligations, such as heat, light, insurance, salaries etc. All your offertory contributions go towards these ongoing costs of the parish operations. We were very appreciative during the past winter months when you increased your offertory contributions, which helped greatly in covering costs. We encourage all of you to continue to generously support the upkeep of our parish. During the summer months it is important that our regular revenues continue, as we can’t have a deficit balance. When you may not be attending as usual, we ask that you consider the following options to help us keep paying our bills:

1. making postdated payments of your weekly offertory contributions,
2. dropping off your contributions to our Church office, 120 Mundy Pond Road
3. making an e-transfer to: stteresasadmass@outlook.com

Please note these options can be used any time at your convenience, and not just if you are away over the summer. We are also planning a fund-raising effort to help in meeting our financial operating obligations. We thank you for your ongoing support. If you have any questions or suggestions, please reach out to any of the members of our Finance Committee or our parish priests. To speak with any of us, please either approach one of us in church, or leave a message at the parish office, and we will get back to you.

Sincerely yours,

***The Parish Pastoral Council and Finance
Committee of St. Teresa’s Parish***
