

Adoration Night at the Basilica for August, 2024

Guided-Prayer and Adoration with Eric and Evalina Filion (CCO Missionaries) Friday, August 2nd , 2024 (7pm-9pm)

Do you want to hear God's voice? Have you ever wondered if you could? What would it be like to have a conversation with God?

Whether you're new to prayer or have been practicing it for years this is a night to grow in how we converse with God as a friend. This night will be hosted by Eric and Evalina Filion, missionaries with Catholic Christian Outreach and will include guided prayer and worship music provided by them during Eucharistic adoration.

Eric was a parishioner at the Basilica between 2015 and 2019. He moved to St John's to start CCO's missionary team at Memorial University. In 2019, he moved to Ottawa to take on a position in CCO's Human Resources department and in 2022, he married Evalina, who works for CCO's Formation department, training missionaries all over Canada. Eric and Evalina fell in love through their common passion for canoeing and adventure... but they believe that the greatest adventure is following Jesus.
